

Venture Business (M)

2 units (selection)

Target) Aims of the lecture are doing collaborative works with private enterprises and establishing venture businesses through such works.

Outline) The lecture is aiming at founding a venture business company as well as establishing collaborative research works with private enterprises. It's worth to apply their accomplishment to an actual society beyond the range of a laboratory work.

Goal) Objective of the lecture is to have experience and knowledge of collaborative works with private enterprises and to mature the works to venture businesses.

Evaluation Criteria) Credits are acknowledged in case of doing collaborative works with enterprises and/or maturing them to venture businesses. Handouts, reports, and presentation materials, etc. are evaluated to approve credits.
